**IMPACT:** State

**Summary of Legislation:** This bill specifies requirements that must be met by a child care provider as a condition of eligibility to receive a federal Child Care and Development Fund (CCDF) voucher payment.

(The introduced version of this bill was prepared by the Committee on Child Care.)

**Effective Date:** July 1, 2013.

**Explanation of State Expenditures:** This bill establishes new requirements for child care providers (child care homes, centers, and individuals providing child care) as a condition of receiving Child Care Development Fund (CCDF) voucher payments. The Family and Social Services Administration (FSSA) reports the DFR currently annually inspects child care providers who receive CCDF voucher payments to ensure they meet requirements in current law. If this bill increases the number of child care providers found in noncompliance, it is expected to increase DFR workload to reinspect child care providers for compliance. The FSSA reports the increases in workload will be absorbed under current staff and resource levels.
